NBA's Cleveland Cavaliers, at a VIP party for the Chicago Cubs season home opener, at the NBA semi-finals for the Detroit Pistons, inspired a series of children's books, performed at the House of Blues, inspired the formation of Harmonie Network (a national entertainment and music company), performed at the Cleveland Grand Prix, launched his own clothing line, performed at the largest classic car show in the world, received a movie offer from a Hollywood producer and director, and received media coverage from every corner of the world, including Italy, China, and Brazil. Julian has already released a CD, entitled "Go Baby!" with legendary bassist Ralphe Armstrong. All of this accomplished BEFORE his second birthday!

Footage from the award ceremony will be added to Julian's latest endeavor, his hit new reality show entitled "Finding Julian's Band". The reality show chronicles the search for musicians and singers, excluding drummers, ages 10 and under who want to join Julian's band. After a series of auditions held in various cities, producers will choose Julian's band members. Julian's band will then record a single produced by Michael J. Powell and Mark Pastoria. Michael Powell is a 4-time Grammy award winning producer and Managing Partner of Harmonie Network. He has worked with Aretha Franklin, Anita Baker, Patti LaBelle, Nancy Wilson, and Gladys Knight. Mark Pastoria is a 2-time Grammy award winner and President of Harmonie Network who has worked with Aretha Franklin, Vini Poncia (Ringo Starr, Carol King, Phil Spector, Kiss), Ron Nevison (Led Zeppelin, Heart, Bad Company), Dave Mason, Burt Bacharach, Jimmy Jam and Terry Lewis.
