BLOOMFIELD HILLS, Mich., July 3 /PRNewswire/ -- Only two months after appearing on The Oprah Winfrey Show, Julian Pavone, who became known as "The World's Youngest Drummer" at only 20 months old, will appear July 10 on The Fuji Television Network show entitled, Amazing Stories -- Super Kids.

Julian's parents, Bernadino and Lisa Pavone, said the trip would have been a difficult one for their son, so they made arrangements with the show to broadcast video footage of Julian's performances instead.

"Obviously, we were very flattered by this prestigious invitation, but this would have been a difficult trip for Julian (who is now four years old). He has commitments to his music school and will be performing at several other events. This is tremendously exciting for Julian and our entire family," said Lisa Pavone.
