Julian Pavone, 'The World's Youngest Drummer', to Appear on Japan's No. 1 TV Show

By PR Newswire

BLOOMFIELD HILLS, Mich., July 3 /PRNewswire/ -- Only two months after appearing on The Oprah Winfrey Show, Julian Pavone, who became known as "The World's Youngest Drummer" at only 20 months old, will appear July 10 on The Fuji Television Network show entitled, Amazing Stories -- Super Kids.

Julian's parents, Bernadino and Lisa Pavone, said the trip would have been a difficult one for their son, so they made arrangements with the show to [broadcast video](#) footage of Julian's performances instead.

"Obviously, we were very flattered by this prestigious invitation, but this would have been a difficult trip for Julian (who is now four years old). He has commitments to his music school and will be performing at several other events. This is tremendously exciting for Julian and our entire family," said Lisa Pavone.

Julian, who has made headlines around the world, has appeared on 29 TV shows, including "The Oprah Winfrey Show", "Good Morning America", "Martha Stewart", "Inside Edition", "MSNBC", "WGN", "FOX News Dayside" and "Good Company". He has also starred in a television show pilot, "Finding Julian's Band" and was featured in a Korean documentary produced by Seoul Broadcasting [Systems](#) in 2007.

He has performed live on numerous radio stations and for many concert venues including the House of Blues. He has performed for the Cleveland Cavaliers, the Detroit Pistons, the Cleveland Indians, the Chicago Cubs and the Detroit Tigers. He was also featured with the United Drumline at the opening ceremonies of the 2006 Cleveland Grand Prix.

In addition to Julian's full artist endorsements from [Innovation](#) Drum, Sabian cymbal and Vic Firth drumstick companies, he has inspired a series of children's books, as well as the formation of Harmonie Network (a national entertainment company). He was featured in "Ripley's Believe it or Not," was honored at the Hard Rock Cleveland with the "The 2007 Rock and Roll Lifetime Achievement Award", received a Special Declaration of Tribute from the State of Michigan presented by Senator John Pappageorge, and received worldwide media coverage with more than 6,000 newspaper and magazine articles written about him.

He is currently working on his second CD with 4 time-Grammy Award winning producer, Michael J. Powell.

Pure Digital's Flip Video mino

What does a company do when it makes a highly successful DV camcorder that fits in the palm of your hand and shoots surprisingly high quality 640x480 resolution video? At less than \$200? Well, it shrinks the next version, adds some cool sharing features in the intuitive software that ships with it, and adds a neat touch sensitive controls for manipulating the cameras basic controls. Colored Pencil Sketch Effect in Corel Photo-Paint

In a recent time consuming search for a tutorial on how to create a water-color sketchy effect, I found only Photoshop compatible plug-ins. I am using Photo-Paint X4 which is capable of using many Photoshop filters; I tried them but none were really what I wanted. So I messed around within the program and I did come up with a sort of sketch effect, which if I am honest, isn't really what I wanted either. [Read More](#)

Canon Rebel XSi DSLR

The price of gas might be climbing so fast you wonder why all the gas company executives aren't suffering from altitude sickness, but at least in one area the consumer can still get more for less and that's with digital cameras. Such is the case with Canon's next-to-entry-level Rebel XSi. [Read More](#)

2.8GHz iMac

After 10 years, Apple's flagship computer, the iMac, is still going strong. With the introduction of a thinner display/computer, a fast Intel Core 2 Duo last year, Apple proved the iMac will remain one of the best desktop computers for everyone. This year, Apple introduced an iMac that pushes the speed envelope with a 3.06GHz processor and a beautiful display, up to 24 inches. [Read More](#)
