BLOOMFIELD HILLS, Mich., July 3 /PRNewswire/ -- Only two months after appearing on The Oprah Winfrey Show, Julian Pavone, who became known as "The World's Youngest Drummer" at only 20 months old, will appear July 10 on The Fuji Television Network show entitled, Amazing Stories -- Super Kids.

Julian's parents, Bernadino and Lisa Pavone, said the trip would have been a difficult one for their son, so they made arrangements with the show to broadcast video footage of Julian's performances instead.

"Obviously, we were very flattered by this prestigious invitation, but this would have been a difficult trip for Julian (who is now four years old). He has commitments to his music school and will be performing at several other events. This is tremendously exciting for Julian and our entire family," said Lisa Pavone.

Julian, who has made headlines around the world, has appeared on 29 TV shows, including "The Oprah Winfrey Show", "Good Morning America", "Martha Stewart", "Inside Edition", "MSNBC", "WGN", "FOX News Dayside" and "Good Company". He has also starred in a television show pilot, "Finding Julian's Band" and was featured in a Korean documentary produced by Seoul Broadcasting Systems in 2007.

He has performed live on numerous radio stations and for many concert venues including the House of Blues. He has performed for the Cleveland Cavaliers, the Detroit Pistons, the Cleveland Indians, the Chicago Cubs and the Detroit Tigers. He was also featured with the United Drumline at the opening ceremonies of Cleveland Grand Prix.

In addition to Julian's full artist endorsements from Innovation Drum, Sabian cymbal and Vic Firth drumstick companies, he has inspired a series of children's books, as well as Harmonie Network (a national entertainment company). He was featured in "Ripley's Believe it or Not," was honored at the Hard Rock Cleveland with the "The 2007 Rock Lifetime Achievement Award", received a Special Declaration of Tribute from the State of Michigan presented by Senator John Pappageorge, and received worldwide media more than 6,000 newspaper and magazine articles written about him.

He is currently working on his second CD with 4 time-Grammy Award winning producer, Michael J. Powell.
