**GREG GATONI
BENEFIT CONCERT
APRIL 6, 2013 @ 8:30PM**

In 2006 Greg was diagnosed with cancer (Hodgkin's Lymphoma) and went through chemotherapy for two years. On August 19th, 2009, he had a heart attack due to a pulmonary embolism. He had a second heart attack on November 27th, 2010. He then had open heart surgery to replace five arteries in his heart. He has been unable to work due to complications after surgery. Finally, in June 2012, he suffered a foot injury that was complicated by diabetes that led to the amputation of half of his right foot.
